Dear Sir:

Pursuant to the duty of disclosure provided by 35 C.F.R. § 1.56 and §§ 1.97-99, the applicants wish to make the following references of record in the above-identified application. Required copies of the references are enclosed. Copies are also listed in the PTO-1449 form enclosed herewith. It is requested that the documents be given careful consideration and that they be cited of record in the prosecution history of the present application so that they will appear on the face of the patent issuing from the present application.

The Office has waived the requirement under 37 C.F.R. §1.98 (a)(2)(iii) for submitting a copy of the pending U.S. application that is stored in the USPTO IFW system. In accordance with this waiver, cited U.S. patent application publication marked with "*" are not enclosed.

In judgment of the undersigned, portions of the listed references may be material to the Examiner's consideration of the presently present claims. This statement is not a representation that the cited references have effective dates early enough to be "prior art" within the meaning of 35 U.S.C. §§102 or 103.

Applicants do not believe any fee is due with this submission. If this belief is in error and the Patent Office determines that the fee prescribed in the relevant portion of 37 C.F.R. §1.97 is applicable, the undersigned attorney by his signature hereby authorizes any such fee to be debited from Deposit Account 13-2490.

Respectfully submitted,
